A STRONG FOOTPRINT IN FRANCE

NEWSLETTER #10 - SEPTEMBER 2022

Dear all

As we head into autumn, the focus moves on to 'robust', 'just in time', 'just in case' and 'logic of performance' processes as our sector tackles the supply chain crisis. Recruitment is another major challenge as our sector aims to attract young talent, increase diversity and retain skills.

Our ADS Toulouse UK company members are fully committed to the challenges ahead and you will find below some of their news.

Last week we opened bookings for our ADS Toulouse Annual Event which will be held on the 13th of October 2022. We are pleased to be able to host this special event once again and you should have received our official invitation by now. You will also find details in our upcoming events section below where we also highlight our wider events

programme including our first bilateral seminar in collaboration with Aerospace Valley. We are especially thrilled to be hosting a UK Pavilion for the Aeromart 2022 in December!

We look forward to welcoming you once again at our "Annual Event".

In the meantime,

Bonne rentrée à tous,

Sophie Morel
ADS Toulouse Director
